“All of us do not have equal talents. But all of us have an equal opportunity to develop our talents”-Dr. APJ Abdul Kalam

Dear Parents,

Greetings.

A school is a ‘World in miniature’ where one receives ‘Training for life’. It is here that we learn the lessons of life to accept challenges face competitions, defeats and failures and rejoice at victory and triumphs.

At City International School, Wanowrie our aim is not only to help the children to pursue academic excellence but also to motivate the students to be lifelong learners, critical thinkers and productive members of an ever changing global society. To sensitize our students on the qualities like love, care, affection and compassion has become the need of the hour. Parents and teachers should work hand in hand to inculcate in them the values of tolerance and mutual respect as it is an important criteria to lead peaceful and successful life in today’s world.

We try to give our student the best possible opportunities to groom them up into responsible global citizens and successful professionals.

To attain this goal, both parents and teachers should make a joint effort. Ultimately our collaboration only helps them to achieve the benefits of education.

With warm regards,

Mrs. Pooja Arora

Value of Discipline in a Student Life

“Discipline is the refining fire by which talent becomes ability”

Discipline is the key to success. It holds great value to the students. There are many temptations that can lure a student away from his basic objectives in life. The glittering world of cell phones, the internets and the websites unfold a new era to students and they are wooed by glamour.

Self-discipline is something which students should aim for leading a systematic life. It cannot be bought as a commodity but it is a rare quality, that can be inculcated, nurtured and nourished from childhood. Parents and teachers can play a vital role in inculcating self discipline in students, Self discipline initiates concentration which will help students to scale new heights of academic excellence and success in life.

To sensitize the students on the value of discipline the school through various curricular and co-curricular activities tries to teach them.

Today's generation needs our time more than the luxuries provided to them. Students should be disciplined by treating them with respect and courtesy. They should also be made a part of planning class work and home work. Youth should be given a great opportunity to create a new disciplined world. Through the combined efforts of parents and teachers we should make them realise that Life is enthusiasm, Life is love, Life is compassion and Life is creation. It is our duty to imbibe, inculcate and through testimony show the benefits of discipline. So let us gear up and work in achieving this value, to make the family, school, society , nation and the world to possess disciplined citizens. Then the world would be free of corruption, crime and suicides which at present is common among students. Discipline would boost their self confidence, face the ups and downs of life boldly and emerge as successful persons.

हमारी राष्ट्र भाषा हिंदी

है भव्य भारत की हमारी मातृभूमि हरी - भरी ।
हिंदी हमारी राष्ट्र भाषा और लिपि है देवनागरी ।

हिंदी अत्यंत मृदुल , मधुर , सरस एवं सरल भाषा है । हिंदी पूर्णतया वैज्ञानिक भाषा है और इसकी लिपि भी पूर्णतया वैज्ञानिक है । समय के परिवर्तन के साथ - साथ शिक्षण पद्धति में भी परिवर्तन आया , लेकिन शिक्षा के उद्देश्य में विशेष परिवर्तन नहीं आया । हमारा वास्तविक उद्देश्य है कि विद्यार्थी में मनुष्यता का विकास हो । शिक्षार्थी आत्म निर्भर बने । ईश्वर का ध्यान करने से मन में अच्छे भाव पैदा करने से और आत्म संयम करने से विद्यार्थियों में स्वस्थ व्यक्तित्व का निर्माण होता है । साहित्य कला विज्ञान दर्शन सभी का आधार भाषा ही है । विद्यार्थी चाहे कितनी भी भाषाओं का ज्ञान क्यों न प्राप्त कर ले जब तक वह मातृभाषा में बात न करे उसकी आत्मा मानो अतृप्त ही रहती है ।

हमारे शिक्षण का मुख्य उद्देश्य यह है की हमें विद्यार्थियों विद्यामें हिंदी में समझने - बोलने के साथ - साथ लिखने की क्षमता का विकास कर सके उनमें औपचारिक विषयों और संदर्भों में बातचीत में भाग ले पाने की क्षमता का विकास कर सके ।

आज विद्यार्थियों की पढाई आस पड़ोस राज्य देश की सीमा को लांघते हुए वैश्विक क्षितिज तक फैल गई है । इन बच्चों की दुनिया में समाचार खेल , फिल्म तथा अन्य कलाओं के साथ -साथ पत्र पत्रिकाएँ और अलग अलग तरह की किताबे भी प्रवेश पा चुकी है इस तरह मातृभाषा हिंदी का अध्ययन साहित्यिक ,सांस्कृतिक और व्यवहारिक भाषा के रूप में कुछ इस तरह से हो कि माध्यमिक स्तर तक पहुँचते पहुँचते यह विद्यार्थियों की पहचान आत्मविश्वास और विमर्श की भाषा बन सके ।

The first day of the Tiny Tots

Playgroup

Playgroup - playing, speaking, singing, talking, crying and learning to live together. We are proud and ecstatic to provide endearing space for the First step of Tiny Tots outside their homes in our school. Our effort to make the first impression of the school to be positive for the child to feel like coming to school seemed fruitful when on the first day teachers greeted the tiny tots with a broad smile and chocolates. The atmosphere soon changed to a playroom. Each child picked up a toy of their choice and played with it. Teachers interacted with the students while they were playing to make them comfortable and to be at ease. The students were thus given a warm welcome.

ACHIEVEMENTS...

लोभीकुत्रा

एका शहरात मोती नावाचा एक कुत्रा राहात होता. त्याला हाड चोखायला खुप आवडायचे. रस्त्यामधे त्याला एक हाड दिसले. तो खुश झाला त्याने ते हाड तोंडात धरले आणि घरी निघाला. रस्त्यात एक तलाव लागले. त्याने तलावात पहिले असता त्याला पाण्यात एक कुत्रा दिसला. त्याच्याही तोंडात एक हाड होते. मोतीला एकदम हाव सुटली. त्या कुत्र्याला कसा पळविता येईल याचा त्याने विचार केला. त्याने ठरवले आपण जोरात भुंकून त्या कुत्र्याला पळवून लावूया आणि त्याचे हाड घेऊया.त्याने भुंकण्यासाठी तोंड उघडले. त्याचे हाड तलावात पडले. बिचारा मोती अति लोभात तो हे विसरला की तो पाण्यात स्वतःचे प्रतिबिंब पाहत होता

मला उमगलेले स्त्री स्वातंत्र्य(लघुलेख)

रोजचा दिवस उगवतो तसा मावळतो रोज तेच ठराविक चौकशीत आखलेलं आयुष्य स्वयंपाक-पाणी. मुलं-बाळ, नोकरी आपण रोज जगत आसतो.

स्त्रिया या बहुतांश गृहिणी असतात. घरातील कुटुंबाचा मी एक घटक आहे आणि माझी जबाबदारी मी एक सून, पत्नी आणि आई म्हणून व्यवस्थित पार पाडत आहे आणि त्याची पोचपावती म्हणजे घरातील सर्वांनी तिला दिलेलं प्रेम असेल तर यातच तिला मुक्त झाल्यासारखं आनंद मिळतो, खरेच एक आदर्श गृहिणी होणे हे सुद्धा खूप महत्वाचे आहे. ही भूमिका तर ती निर्विवादपणे पार पाडतच असते, पण यानंतर एक ठराविक चौकशीची कक्षा भेटून बांधलेपण सोडून नवे काहीतरी करून दाखवणे हे किती आनंद देणारं असेल असा कधी आपण विचार करतो का ?

जगातील महिला दिनाच्या दिवशी दरवर्षी वर्तमानपत्रात महिलांनी आपापल्या क्षेत्रात केलेल्या कामाचे, प्रगतीचे लेख पान भरभरून येतात, पाहून वाचून आनंद वाटतो. त्यांच्या कर्तबगारीचे लेख वाचताना अगदी अभिमानाचा उर दाटून येतो. थोड्यावेळाने आपण आपल्या मैत्रिणींशी किंवा इतरांशी त्याविषयी बोलतोही. चर्चाही करतो, पण किती वेळ ? फारफार तर अगदी पाच मिनिटे, नंतर विसरून जातो.

क्रांतिसूर्य महात्मा जोतीबा फुले आणि सावित्रीबाई फुले यांनी स्त्री शिक्षणासाठी आपले आयुष्य वेचले. आजची स्त्री हि यशोशिखरावर आहे ती म्हणजे केवळ आणि केवळ या दोन महान व्यक्तींमुळे त्याचे सगळ्यात पहिले य श्रेय दोघांना जाते. कारण यांच्यामुळेच आपण आज 'सुस्थितीत' आहोत.

पण या आधुनिक काळात स्त्रीने स्वातंत्र्याचा अर्थ बऱ्याच वेगळ्या अर्थाने घेतलेला आहे. आजच्या शिक्षण घेणाऱ्या कॉलेज युवतींना पाहून त्यांच्या पुढील भवितव्याविषयी मन सांशक बनते कारण त्यांच्या मते आधुनिकता म्हणजे हातात हाय क्वालिटी स्क्रीन टच मोबाईल घेऊन घरातून पाहिजे तेंव्हा बाहेर पडण्याची मिळालेली परवानगी आणि वॉटिंग आपल्या टाइमपास गप्पा ! हल्ली शाळकरी मुलीसुद्धा मोबाईल वापरतात आणि पालक हि मुलांना लहान वयात काळाची गरज म्हणून त्यांना महागडे मोबाईल घेवून देतात, पण पुढे जाऊन त्यांचे किती वाईट परिणाम होऊ शकतील याची त्यांना कल्पनाही नसते.

आजची सुशिक्षित युवती ही पुढे जाऊन जर एक यशस्वी स्त्री, एक चांगली गृहिणी घडायची असेल तर तिने आत्ताच विचार करावा, कुठला? तर आपल्या या बेताल वागण्यावर मर्यादा आणाव्यात.

पालकांनी दिलेल्या स्वातंत्र्याचा, सगळ्याच युवती दूरपयोग करतात असे नाही. पण बऱ्याच जणी या आपल्याच धुंदीत आपले सर्वस्व गमावून बसतात. मित्र-मैत्रिणी जरूर बलागा, पण निरखून, पारखून एखाद्या सामाजिक चांगल्या आशा विषयावर गट चर्चा करा. ज्यातून काही निष्पन्न होईल आणि समाजाला त्याचा अभिमान वाटेल, कुणी घ्या, कितीतरी मेरी कॉम, किरण बेदी सारख्या कर्तृत्ववान महिला यांच्यातच दडलेल्या असतील त्यांना जागृत करा. त्यांच्यासारखा धडा, त्यावेळेस मला उमगलेले ते खरे स्त्री स्वातंत्र्य असेल. त्यासाठी वेळ वाया घालवू नका, तो सत्कारणी लावा आणि याप्रसंगी किरण बेदींनी म्हटलेले एक वाक्य मला सांगावेसे वाटते ते म्हणजे,

“Take Charge of life, otherwise you, will be lathi-charged by time” .

CLOSE MY EYES

Sometimes, when I stare into
The never ending blue of the sky
Questions come to my mind
As to how
We are all so different
As to why
We all want to be each other
As to why
Do people hate each other so much
And yet
The love I feel
When I put my head on my mother's
lap.
As to how
We seem to risk our lives
For the meekest of things
When we
Are given so much to be happy for
Like the sound of rain
Or the taste of love
In our mother's cooking .
Why is that
We want to prove ourselves
When we already have
The love of those who we need .
And I momentarily close my eyes
Shutting down these questions in my
mind
And on opening my eyes
I can't help but smile
That everything is yet the same .

WHALES

As the gentle giants swim through the sea,
Not expecting a thing,
A sharp metal object is heading their way,
Suddenly they feel a sharp sting.
They don't know what happened,
But they feel tremendous pain,
The huge innocent creatures,
Are hauled up by a chain.
Now they figured it out,
They know what's going on,
A whaling harpoon has hit them,
A massive violent gun.
As they're pulled up to the whaling ship,
Their condition deteriorates,
They get weaker and weaker,
They're in a terrible state.
The last thing they see,
Just before they die,
Is the satisfied look?
In the fishermen's eye.
I hope this proves,
How cruel whaling is,
Well how would you like it?
If you were treated like this?

VITAMINS

YOUNG BUZZ...

Vitamins and minerals are substances that are found in food we eat. Your body needs them to work properly, so you grow and develop just like you should.

When it comes to Vitamins, each one has a special role to play. For e.g.,
Vitamin A in carrots, helps you to see at night
Vitamin B in Leafy green vegetables, helps to make protein energy
Vitamin C in Orange helps your body heal if you get a cut.
Vitamin D in milk and eggs helps your bones.

Our bodies can make Vitamin D when our skin is exposed to sunlight.

ROHIT ARYA (VI A)

WHERE THERE IS A WILL, THERE IS A WAY

A strong will is what we need to succeed in life, if we are determined to work hard, no task will be too difficult. We will keep on working & struggling in order to succeed. No difficulty is too great for people who are determined to do things. For example, when our country was under foreign rule, it was a difficult task to fight for Independence. Yet men like Gandhi Ji & many others were determined to fight for freedom. Their strong will & determination helped to win independence for our country without the use of any weapon. It was their moral strength that helped to succeed in winning Independence. There are many instances of people who have attained greatness inspite of being poor handicapped, Abraham Lincoln was very poor. Yet his determination helped him to educate himself & become the president of the U.S.A.

TRUE FRIENDSHIP

True friends are those who are beside us

In every kind of state,
Sometimes they have a liking for each other,
And stand beside her in any kind of weather.

A true friend does not like to see the other sad,
From the bottom of their heart they feel bad.

A true friend should play her part,
And never break the other's heart.

If you really have a true friend,
On the path of friendship you will tread.

This relation will go on for years,
For your friend you should have no fears.

If they live, they live together!
If they die, they die together!

CBSE workshop on Life Skills

Attendants at the session

The much awaited CBSE workshop on life skills was organized at City International School, Wanowrie on June 10, with 45 teachers of City International group of schools attending. Various activities relevant to the different sessions were held. It began with meditation session that made the participants feel fresh and calm. The objective was to sensitise the teachers regarding innovative ways of using various life skills in their teachings.

A total of seven sessions comprising activities like sketching their partners, sharing testimonials, role play, puzzles were conducted.

The activities made the participants realize that there is a gap between knowledge and its implementation. The trainers tried to bridge this gap so that the students could be assessed in a better manner and values could be inculcated in them so that they become good citizens of the country.

Save Environment

Global warming isn't hard To explain

It leaves Mother earth

Crying with excruciatingPain.

This hurts our planet in

Every single way.

The changes could leave us

All in sorrow and dismay.

We need to stop it now so-

The temperature doesn't Rise.

People

Planet and animals would be in demise.

Memories....

Vinita ma'am - A friend, Philosopher and guide- all in one. A person who filled the lives of the students as well as teacher with light.

The farewell celebration began with a prayer song by teachers, followed by speeches of students top-pers who shared their feelings, there were songs of teachers and a few games to lighten the atmosphere. Vinita ma'am also blessed the school with her eloquent words. Our Principal Pooja ma'am addressed the gathering on behalf of the management, the function concluded with a vote of thanks.

"BIDDING ADIEU"...

Saturday-25th June, 2016 was a very disappointing and emotionally draining day for I believe, everyone in C. I.S, because it was on this day that our beloved, honorable and loving principal Vinita Ma'am, declared her resignation. She was and will always be a very respectable person, dynamic in nature, intelligent, polite yet assertive and motherly at heart. My grandmother once told me "*Teaching is a noble profession*". I believe nobody can justify this proverb better than her as she is the epitome of nobility. With her hard work, perseverance and experience ma'am truly revamped C.I.S and ensured that our school reaches greatest heights. Having studied in quite a few international schools, I can say without a doubt that City International School is truly at par and actually excels other international schools. This, I say, with proven statistics; C.I.S. is the 4th best school in Pune today, all this is due to Vinita Ma'am, our teachers and the management. Vinita Ma'am will truly be missed for enumerable reasons, the biggest being-the connect she shared with we the students. She will always be Our Vinita Ma'am! Nevertheless, it is my privilege to announce to everyone that Vinita Ma'am will be succeeded by none other than Pooja Ma'am. Today, I am humbled for being able to write a few lines on two God-gifted people. Pooja Ma'am undoubtedly is a perfect combination of Scholar and Teacher, which is very rare, because it is said that no scholar can ever be a good teacher and vice versa. Ma'am proves this proverb wrong and that too hands down. And to have such a wonderful individual as our principal! God, are we lucky! Sharp, eloquent, warm are some words one can use to summarize Pooja Ma'am's personality. I look forward to being under this amazing principal of ours, Pooja Ma'am and believe that she will help C.I.S reach new heights. Have a wonderful day and God Bless our school. (Shruti Satish—IX A)

Through My Eyes...

(Editor's Desk)

To conquer, one must first yield. Rather than going against the change, one should flow with it like water. It is one of the most powerful forces on the earth. In education too, we see fast changes. The student of today is aware of his responsibilities and is a humanitarian at heart. At City International School we recognize and foster the blend of such sensibilities in a child and thus, this News Letter is to be viewed as a start for children's creative urges to blossom. As the Zen tradition speaks of a beginner's mind: those who keep their minds open to new concepts- those whose cups are empty- will always move to higher levels of achievement and fulfillment. This News Letter is a bid to render the young minds free wander and explore their realm of imagination through expression of words.

Our school attains glory through the achievements of our students which has been given its due place in the News Letter. It also breathes the school spirit of blooming and blossoming. I believe all these will set us for higher growth.

My sincere thanks are due to the Principal, co-editors, students and teachers to have been of great help in giving life to these pages.
